The Voice of the Divine Feminine is growing and pushing against all of reality, and nowhere is it felt more abruptly than in intimate relationship. This book outlines for men the new ideas, feelings and her new language so her partner is not feeling frustrated or left behind. Sane advice and compassionate support for the bewildered husband or boyfriend. The Dali Lama said it would be the Western Woman to change all of reality on earth. Specifically, it is the emerging new voice of the Divine feminine that is bringing new initiatives and ways of living on earth. What is old is new again, for truly, the Divine feminine is just a remembrance of how the feminine way is to live in harmony with all of life. Food, relationships, weather, housing, and community are all morphing to these new feminine inspired visions. And each woman that has this energy of spirit bursting through her to be part of this movement will have partners that may be bewildered, uncomfortable or angry that their woman is now becoming someone or something else. This book de-mystifies the mystical process that these women are going through as they shift from a material based world to a spirit directed life. Jan gives practical advice and common sense guidance for the hapless male who does not know where to turn. Her own awakening provides real life data and excerpts from her journal highlight her feeling world. This book will be popular and raise many eyebrows, discussions and questions. And hopefully save marriages and relationships and lift them to a new loving place.
