Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Virgil biography, conceived with the purpose of centering attention upon the poet's actual life, has eschewed the larger task of literary criticism and has also avoided the subject of Virgil's literary sources--a theme to which scholars have generally devoted too much acumen. The book is therefore of brief compass, but it has been kept to its single theme in the conviction that the reader who will study Virgil's works as in some measure an outgrowth of the poet's own experiences will find a new meaning in not a few of their lines.
