

## The Dying Days of Segregation in Australia (Paperback)

By Barbara Miller

Book Venture Publishing LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Did the deep north of Australia experience racism, discrimination and segregation? Yes. But it was different from the deep south of the USA. A system similar to South African apartheid existed on Aboriginal reserves like Yarrabah in Queensland till as recently as 1984. This book, *The Dying Days of Segregation in Australia: Case Study Yarrabah*, is unique in that Australian Aborigines themselves tell their story of living under legal discrimination on reserves and discusses their aspirations for self-determination, local government and land rights. Human rights abuses of the law they lived under are discussed in detail as well as government policy that promoted racial discrimination. Race relations are examined. The book is a political history from contact till now between white and black Australia and puts Yarrabah in a national context. Despite past racism and discrimination and some lingering examples of this in government policy and society's attitudes, Yarrabah today is a thriving community run by an Aboriginal Council with local government and native title. It still has some of the hallmarks of a disadvantaged population like shortage of housing...
